Organized Earth Day Event Today**

(Collingswood, NJ, April 22, 2008) -- A recent Mambo Track™ market research survey of natural and organic consumers conducted by Mambo Sprouts Marketing (www.mambosprouts.com), showed that the majority of respondents (58%) indicated a plan to simply enjoy nature/outdoors in celebration of Earth Day. Only 1 in 5 or fewer had definite plans to take part in an organized earth day event or activity such as a festival or concert (17%), Earth Day awareness event (15%) or perform community service (13%).
